

HIGHLANDS MUSIC COFFEE HOUSE

Saturday, April 13, 2019 7:30 pm

At the Historic Caleb Pike House 1589 Millstream Road

*Highlands Music Coffee House will be featuring:
The Lake Men*

Please note: This Coffee House is in place of the one in February when we had to cancel the evening and could not feature this band due to the heavy snow fall. Celtic Reflections band which was supposed to perform in April will be away in April so we are going to have the Lake Men in April instead.

The Lake Men – Kenn Faris, Greg Beattie and Philipp Gawthrop – first formed as a trio almost 40 years ago as UVic students. They parted ways after graduating to pursue travels, careers and family life.

In 2015, all three found themselves back in Victoria and rediscovered their original musical magic. Their reunion merged their combined life and musical experiences with their love of singing and sharing music in person.

Their tight vocal harmonies and acoustic instrumentation (guitars, mandolins, bass) are reminiscent of 'classic folk' singer-songwriter groups such as Crosby, Stills and Nash, America, Bruce Cockburn, Cat Stevens and Bob Dylan, as well as influences from abroad.

The Lake Men derived their name from Fork Lake in the Highlands, where Kenn has been a resident for many years and where the group often practices.
